**RE: Letter of Support for Hamilton Players Inc. – Montana Cultural Trust Grant Application**

To Whom It May Concern:

Ravalli County is pleased to support Hamilton Players Inc. and their application for Montana Cultural Trust Grant monies. As you are aware, Ravalli County has supported this grant application by the Hamilton Players to the Montana Cultural Trust Grant for the past three years acting as their sponsor to receive these grant funds. Ravalli County is a local government entity with the appropriate accounting and financial services available to receive these grant funds. These grant funds will then be released directly to the applicant for use in their intended purpose.

Over the past three years, we have found the Hamilton Players to be a well run agency, with proper and professional management of their projects. As such, the Ravalli County Commissioners receive budget reports for the grant funds and expenditures for each application period.

We feel the Hamilton Players provide a wonderful service to our community and we are willing to act as the sponsor to the Cultural Trust Grant monies if awarded. If you have any questions, please feel free to contact our Administrative Assistant, Glenda Wiles at the above number.

Sincerely,  
BOARD OF RAVALL COUNTY COMMISSIONERS.
